

University Libraries

**This article has been provided to you through a license agreement with the Copyright Clearance Center (“CCC”). Under that agreement and the attached Order Confirmation, you are the authorized “User” of this material, subject to your compliance with the following limitations relating to how this material may be used.**

The following uses are expressly excluded:

- Electronic storage of any reproduction (whether in plain text, PDF, or any other format) other than on a transitory basis
- The input of works into computerized databases
- Reproduction of an entire publication (cover-to-cover)
- Reproduction for resale to anyone
- Republication in a different form

The licensing transaction described in the Order Confirmation is personal to the User. Therefore, the User may not assign or transfer to any other person (whether a natural person or an organization of any kind) the license created by the Order Confirmation and these terms and conditions or any rights granted hereunder.

In the event that the material provided through this license includes third party materials (such as photographs, illustrations, graphs and similar materials) which are identified as included in a Work by permission, such third party materials may not be reproduced except in the context of the Work. Unless otherwise provided in the Order Confirmation, any grant of rights to the User (i) is “one time”, (ii) is non-exclusive and non-transferable, and (iii) is limited to one year, all as measured from the “republishing date” as identified in the Order Confirmation, if any, and otherwise from the date of the Order Confirmation. Upon completion of the licensed use, or at the end of the period identified in the previous sentence (if earlier), the User shall immediately cease any new use of the Work(s) and shall destroy any further copies of the Work (except for copies printed on paper in accordance with this license and still in the User’s stock at the end of such period).

User hereby indemnifies and agrees to defend Mercer University, and its employees and directors, against all claims, liability, damages, costs and expenses, including legal fees and expenses, arising out of any use of a Work beyond the scope of the rights granted herein, or any use of a Work which has been altered in any way by the User, including claims of defamation or infringement of rights of copyright, publicity, privacy, or other tangible or intangible property.
